

## PRESS RELEASE

East Meadow, NY, October 24, 2019

### **Traveling on an intercontinental journey with hand luggage only**

#### **Lufthansa Group now also offers Economy Light Fare on routes to Africa, Asia, Middle East and South America**

The "Economy Light Fare" is successively available for further intercontinental routes operated by Austrian Airlines, Lufthansa and SWISS from 30 October 2019 (in Germany, Austria and Switzerland from 6 November). The fare has been available for North America since summer 2018 and is the cheapest choice for price-conscious passengers who want to travel with hand luggage only and do not require ticket flexibility. If required, passengers can individually book a piece of luggage for a fee. Meals and beverages on board remain free of charge for passengers.

The new tariff can be booked exclusively via [austrian.com](http://austrian.com), [lh.com](http://lh.com) and [swiss.com](http://swiss.com) as well as with our sales partners, for whom the fares are available via the direct interface (Direct NDC API).
